

10-8G-6: MODIFYING REGULATIONS:

- A. Perimeter Fence: Unless otherwise approved by the planning commission, each manufactured home park shall be fenced at the perimeter with a six foot (6') high sight obscuring fence. (Ord. 2001-815-O, 12-17-2001, eff. 12-17-2001; amd. 2004 Code)
- B. Building Code; Permit: Installation of any manufactured unit shall be done in conformance with the requirements of the current edition of the building code following approval of the building department, and the issuance of a building permit.
- C. Street Construction: All streets in a manufactured home park shall be paved according to the construction standards of the county and shall be bounded by curb and gutter approved by the planning commission. (2004 Code)
